

Dear Santa,

Thank you for the letter. I also want the Chem C 1000 for Christmas. Can I also have a picture of all your reindeer? My favorite is Rudolf. Is it true that he has a red nose? He also has his own song. So do you don't worry I don't like needles. I also got you a picture of me. It was when I was in soccer. It was the only picture when I was ten. By the way I still am ten. You can also buy the Chem C 1000 at Best Buy or Barnes and Nobles. I also love mystery. So about the Chem C 1000 can I have that or the Chem C 2000 or something that has a mystery. I want a reindeer from Build-A-Bear Workshop. Some more jeans

or legans. Some candy like
bubble gum. Or Sour Patch Kids.
more rubber bands like the
colors blue, Pink, red, yellow, ~~green~~,
brown, multicolored bands as
long as you get some. The
chem set for my American girl
doll. you can get it at the
american girl doll store. New good
headphones, I saw some at
hhgreg for only nine dollars.
I almost forgot if you get
me a reindeer please keep the
birth certificate in the box
with the reindeer. it has numbers
at the bottom they say Key
code and ID number. can i have
some footies. like the kind you
wear to bed. can i have a new
binder for school too? could you
also get my dad a mug or a
cup. maybe one that says "#1 dad"
I want to make him happy.

Love,

Milca Romero
