

Dear Santa,  
I want to know are  
you real, some people say  
your not, I'm going to Prove  
that you are not fake or if  
you are. SO I'm going to  
need your finger prints, also  
some of your blood, SO I  
can run a DNA test.

Love,  
Milca

P.S. I am ten years old.
